Seating is limited and tickets are selling quickly for this special event at Yering Station with actor John Stanton. Book Now at the MRC Box Office 03 9699 3333.

Tinalley welcomes in 2012!

2011 was an exciting and challenging year for the Tinalley String Quartet, and 2012 is shaping up to be even more thrilling! With programs which will engage, excite and entertain, we feel that the 2012 Series offers something for everyone.

We are thrilled that the Melbourne Series will move from the Salon to the magnificent Elisabeth Murdoch Hall. Not only is the hall

one of Australia's finest, but its dedicatee, Dame Elisabeth has been a great champion of the Tinalley Quartet and the Australian chamber music community. There is little doubt that without the Dame's generosity, Tinalley's National Series would not have started.

We wish you health, happiness and success in 2012 ... and many hours of wonderful music listening!

Help us make music...

Tinalley's National Concert Series would not exist without the tremendous generosity of donors and its business partners. The Series is funded solely by ticket sales and philanthropic gifts, with in-kind support from its partners: Sofitel Wentworth, Novotel Canberra, Yering Station, National Gallery of Australia, Alex Grant Violins and the Melbourne Recital Centre.

Philanthropic assistance is a vital part of all arts organisations, particularly ensembles like Tinalley who manage, curate and fund the Series without managerial assistance.

Your support will ensure Tinalley continues presenting diverse, scintillating and enriching programs in Australia's finest venues with globally sought-after guest musicians.

Tax deductible donations can be made to the Quartet via the Australian Business Arts Foundation (ABAF). Donations can be made online at www.abaf.org.au/donors/artist-projects/tinalley-string-

quartet.html or alternatively, a donation form is attached with this email.

The 2011 campaign raised over \$10,000 in vital funds which kick-started the Series. As we enter the second year of the Series, the financial pressure remains the same, particularly as we plan for the Series' expansion in 2013.

Tinalley has set a 2012 target goal of \$15,000 which will assist primarily with venue hire and interstate travel. This goal may appear ambitious, but if 10 people donate \$500, we are a third of the way there!

Furthermore, if you are interested in donating to a particular aspect of the Series, please email lerida@tinalley.com.au or telephone 1300 846 255 to speak directly with the Quartet.

Thank you for your continuing support of the Tinalley String Quartet. The adventure is young but with your support, the future of music making is bright.

Tinalley Remembers

It is with great fondness that Tinalley remembers Avril Everingham OAM, who passed away shortly before the New Year after a 25 year battle with cancer.

Tinalley first had the pleasure of meeting Avril in 2005 when Tinalley competed at the National Chamber

Music Competition. Avril, together with her husband Barry, have since been great supporters of the Quartet, nurturing Tinalley and providing invaluable advice and assistance.

Avril was an inspiration to all who had the honour of knowing her and she will be greatly missed.
